## From the Vicarage

I have just had a 'Pop-Up' appear on my laptop screen informing me that there are only 332 'sleeps' until Christmas! Have you started your shopping yet? Since writing this article there are even less so we'd better get focussed.

It hardly seems possible that we're already stepping into February (is this an age thing Dave?) but the daffodils are in the shops, the snowdrops are bursting through and the starting pistol for Lambing is loaded and the trigger squeezed.

It was a wonderfully joyful Christmastide across the Benefice with so many different events taking place within our communities both outside and inside. We have included a brief snapshot of some of the events in this newsletter. I am so very grateful to everyone who was involved in making Christmas happen in the way that it did, creating the opportunity for many Christ centred conversations and encounters on the street and in our buildings. A conservative estimate would put the attendance figure at over a thousand. Praise God.

But now we move into a different season with the celebration of Candlemas, Shrove Tuesday, Ash Wednesday and the start of Lent.

Traditionally it is a time of discipline, prayer and study after the feasting of the Christmas season but this need not be seen as 40 days of self-inflicted misery. Perhaps we can give Lent a fresh look and follow the Jesus model from his time in the wilderness. I encourage us all to use these days to set aside some 'purposeful designated' time to draw close to God in prayer, to seek His will and to hear His voice within the noise and activity of our busy lives. It might be pulling over on a journey for a few minutes, seeking a secluded corner in a lunch break or settling into a favoured armchair for a time of stillness and prayer. I believe that it's less important to think of what you'll *do* in that time than it is to show God that he's important enough in your life for you to *want* to *give* Him that time. You've often heard me encourage you to 'Have a Coffee with the Lord' ... maybe this Lent is where give it a go.

There are so many wonderful scriptures associated with our turning to the Lord in prayer: perhaps these two will suffice as we begin our Lenten walk together. '*Draw near to God and He will draw near to you*' <sup>Jms.4:8</sup> is a reminder that when we make the decision to orientate ourselves to God He is always there and waiting. '*You will seek me and find me when you seek me with all your heart. I will be found by you.*' <sup>Jer.29:13f</sup> God is not hiding from us is a truth I often use in Baptism and Funeral services. God recognises a sincere pursuit. Honesty and vulnerability lead to the reality of His presence. Our Ash Wednesday service this year will be held in Hardraw at 6:30. It's a powerful reminder of where we stand before God and our need of His presence and power in our lives. If you've never experienced this service before, perhaps this is the year?

"Lord, may my small sacrifices open a  
space in my heart for You to fill"

Per Dave.

The next 'Gathering' will be on **Sunday 1 February**  
at 10:30am at St Oswald's in Askrigg

## God Equips in 2026

At our Benefice service in January we began to consider our focus phrase for 2026. Considering Romans 12:1-8 we will look further into what this might look like for each and every one of us. 'The Gathering' is the only occasion where centralised teaching can be given for the whole of the Benefice. It would be wonderful to see you there.

## Church Finances

Every year, as a Benefice we have to pay what is known as our 'Parish Share'. This money goes to support the funding of mission and ministry in the 440 parishes across our large Diocese. This year our Benefice is being asked to contribute over £53,000 across our four church communities. This is in addition to any fuel, insurance or repair costs that we inevitably face. This money is found through our own sacrificial giving. Our Treasurers are doing all they can to balance our budgets but it is very hard to do so when the monthly income is so irregular. Thank you for all of your contributions to enabling the sharing of the Gospel message in our area. We would be so very grateful if you haven't already done so, to arrange a regular bank transfer to your church PCC.

## EASYFUNDRAISING

A huge thank you to everyone who used Easyfundraising over the Christmas period. Thanks to your everyday shopping, we've raised £35 to support our churches. It might seem small, but every pound genuinely makes a difference, and we're very grateful for your continued support. If you haven't joined us on Easyfundraising yet, it's an easy way to help raise funds at no extra cost to you. Thank you.

## TOWER PROJECT WINS PRESTIGIOUS KING OF PRUSSIA GOLD MEDAL

St Oswald's Church was delighted to win the King of Prussia Gold Medal at the Ecclesiastical Architects and Surveyors Association (EASA) annual meeting held in London last week. The medal is awarded for innovative, high quality church conservation or repair.

The Tower Project was one of 6 finalists celebrated at the ceremony and was up against some other wonderful church projects across England. The judging panel commended Askrigg on a strong solution to a long-standing problem and for its use of traditional lime render.

The team were represented at the Awards by architect Andrew Boyce, from Donald Insall Associates, Will Hague, Mason & Foreman from Matthias Garn & Partners and from the church, Rev Dave Stephanie and MaryRose. They received their award from Prince Nicholas von Preussen, the Patron of the EASA.

The project, which received grant funding from the National Churches Trust, the Wolfson Fabric Repair Fund, the Headley Trust, the Yorkshire Dales National Park Sustainable Development Fund, the Elm House Trust and the Benefact Trust, and countless individuals, has saved the church tower from irreversible decay and ensures the building can continue to serve its community for generations to come.

# CHRISTMAS

Christmas was a lovely time across the Benefice, although it seems quite a long time ago! There were concerts at Hawes and Hardraw, community carols in Hawes and Askrigg, and Christingle services in the schools and Askrigg. A wonderful meal at the Wensleydale Pantry. Communion services on Christmas Eve across the Benefice which were all very well attended.

The Askrigg Christmas Tree Festival took place and included a week long programme of events from concerts to soup lunches. Christmas Day celebrations at Hardraw saw a packed church, with hearty singing of carols and much ringing of bells.

# LENT STUDY GROUP: 2026 – ‘God Equips’

## SHAPE

**Spiritual Gifts, Hearts Desire, Abilities,  
Personality, Experience**

‘Your SHAPE for God’s Service’ was originally written by Amiel Osmaston for ‘Resource Ministries’. Many of you are now familiar with ‘Resource’ through our ‘Sanctuary Day’ in June last year and the ‘Alive in Christ’ which has been run across the Benefice on many occasions now. ‘SHAPE’ has been used in hundreds of churches to inspire confidence and help individuals to identify the ways in which God is calling them to serve.

We have a strong history of enabled leadership in the Benefice ... I see this as another way of helping us discover where we might fit in.

**There are six enjoyable and interactive learning sessions designed to help everyone to discover their God-given SHAPE:**

**\* If you are interested in joining the group over Lent please contact the Vicarage, speak to Steph or Dave or leave a message by phone or email.\***
